

How can Textiles support your future?

We offer Textiles to all students at KS3 and as an option at GCSE. We encourage your continued study in this fantastic subject but we understand that choice and personal interest are important aspects of worthy study. Whether you have continued your study of Textiles into GCSE or not you will have gained access to this enriching subject and its study will have taught you to think differently and deeply.

By studying Textiles at KS4 you will acquire abilities in investigation, analysis, experimentation, refinement and problem solving. You will also expand your understanding of past and present artists, designers and craftspeople.

Many people who study Textiles go on to pursue careers in fields such as:

- Interior designer
- Textile manufacture
- Costume and theatre design.
- Fashion illustration
- Fashion marketing,
- Fashion design
- Graphics and fashion photography and publishing
- Teaching
- Retail buyer
