Acklam Grange School: Provider Access Policy

Introduction

This document sets out the school's arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Student entitlement

All students in Years 8-11 are entitled:

- To find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point.
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events.
- To understand how to make applications for the full range of academic and technical courses.

Management of provider access requests

A provider wishing to request access should contact Miss Winter CEIAG Lead.

Telephone: 01642 277700

Opportunities for access

The school offers a comprehensive Careers Education, Information, Advice and Guidance programme. A number of events, integrated into the school and careers programme, will offer providers an opportunity to come into school to speak with students and/or their parents/carers for example:

- AGS Shine
- AGS Spotlight on Success
- Assemblies
- PRIDE lessons and drop down half days
- Lunch time drop- in sessions in the Careers Hub
- Parent Evenings (Year 10 and 11)
- Year 9 Options Evening

The school will make a suitable space available for discussions between the provider and students, as appropriate to the activity. The school will also make available ICT and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Advisor.

Providers are welcome to leave a copy of their prospectus or other relevant course literature with the Careers Advisor so that they can be displayed in the Careers Hub.
