Introduction

Acklam Grange School is a successful school, and your child plays their part in making it so. We aim for an environment which enables and encourages all members of the community to reach out for excellence. For our children to gain the greatest benefit from their education it is vital that they attend regularly, and your child should be at school, on time, every day the school is open unless the reason for the absence is unavoidable. As a school we will work closely with our parent/carers, our attendance team and the Local Authority to support regular school attendance. This school attendance policy is written to reflect the law and the guidance produced by the Department of Education, Working Together to Improve School Attendance 2024. Our Attendance Policy should not be viewed in isolation; it is a strand that runs through all aspects of school improvement, supported by our policies on safeguarding, bullying, behaviour and SEN.

It is very important, therefore, that you make sure that your child attends regularly and this Policy sets out how together we will achieve this.

Aims:

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the statutory guidance on Working together to improve school attendance from the Department for Education (DfE). We aim to achieve this through our whole-school culture and ethos that values good attendance, which includes:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

Senior Leaders responsible for attendance:

Mr A Hassack (Head of School)

Ms A Gika (Deputy Head Teacher)

Mrs D Dixon (Assistant Head Teacher – Strategic Attendance Lead)

Legislation and Guidance

Parents must ensure that children of compulsory school age receive efficient full-time education suitable to their age, ability and aptitude, either by regular attendance at school or otherwise.

A child is of Compulsory School Age at the beginning of the term following their 5th birthday. A child ceases to be of compulsory school age on the last Friday in June of the school year in which they reach the age of 16.

This policy is based on the Department for Education's (DfE's) statutory guidance '[Working together to improve school attendance](#)' (effective from 19th August 2024) and school attendance parental responsibility measures.

The guidance is based on the following legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
- [The School Attendance \(Pupil Registration\) \(England\) Regulations 2024](#)
- <https://www.legislation.gov.uk/ukxi/2006/1751/contents> [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013 and the 2024 amendment](#)

<https://www.legislation.gov.uk/ukxi/2013/757/regulation/2/made> It also refers to:

- [School census guidance](#)
- [Keeping Children Safe in Education](#)
- [Mental health issues affecting a pupil's attendance: guidance for schools](#)
- [Middlesbrough Attendance Strategy 2024-2027](#)
- [The Equality Act 2010](#)
- [School inspection: toolkit, operating guides and information - GOV.UK](#)

Under the Education Act 1996, the Local Authority has a statutory responsibility to ensure that parents secure education for children of compulsory school age and where necessary, use legal enforcement.

The Education (Pupil Registration) (England) Regulations 2016, require schools to take an attendance register twice a day, once at the start of the morning session and again during the afternoon session.

The register must record whether the student was:

- present;
- absent;
- present at approved educational activity; or
- unable to attend due to exceptional circumstances
- Not expected to be in school (Post-16; non-compulsory school age only)

Good attendance is important because:

- Statistics show a direct link between under-achievement and absence below 95%.
- Regular attenders make better progress, both socially and academically.
- Regular attendance encourages students to build friendships and develop social groups, working together as a whole team, sharing ideas and developing life skills.
- Regular attenders find school routines, schoolwork, and friendships easier to cope with.
- Regular attenders find learning more satisfying and do not miss out on essential learning and social events taking place. Good attendance is linked to greater success in terms of the personal development of students.
- Regular attenders are more successful in transferring between primary school, secondary school, and higher education, employment or training
- Attending school regularly safeguards the welfare of children whilst they are not in the care of their parents/carers.

Roles and Responsibilities:

Whilst parents/carers have a legal responsibility to ensure that their child/children attend school regularly and on time. It is the responsibility of school staff, governors, parents/carers, students, the wider school community and Local Authority to work in partnership to ensure that all students receive an appropriate education suitable to their needs. As a school we will work with families to identify reasons for poor attendance and support them to resolve difficulties.

The Local Governing Body will:

- Ensure that the importance and value of good attendance is promoted to students and their parents.
- Regularly review the school's Attendance Policy and ensure the required resources are available to fully implement the policy.
- Ensure that the Registration Regulations, England, 2016 and other attendance related legislation is complied with.
- Work with school leaders to set goals or areas of focus for attendance and providing support and challenge

- Ensure that there are procedures for collecting and analysing attendance data frequently to identify causes and patterns of absence.
- Ensure that data is understood and used to devise solutions and to evaluate the effectiveness of interventions
- Ensure all staff receive adequate training on attendance as part of the regular continued professional development offer, so that staff understand:
 - The importance of good attendance
 - That absence is almost always a symptom of wider issues

- The school's legal requirements for keeping registers
- The school's strategies and procedures for tracking, following up on and improving attendance, including working with partners and keeping them informed regarding specific students, where appropriate
- Making sure dedicated training is provided to staff with a specific attendance function in their role, including in interpreting and analysing attendance data

Acklam Grange School:

- As a safeguarding priority, ensure that parents/carers are contacted when a student fails to attend and where no message has been received to explain the absence.
- Will communicate attendance information with parents/carers regarding attendance through school reports, social media, text messages, e-mails, personalised letters (where concerns arise) and ClassCharts.
- Work with parents of pupils with SEND to develop attendance support plans.
- Communicate with the Local Authority when attendance concerns relate to EHCP needs.
- Consider transport-related barriers for pupils with SEND.
- Students returning following a prolonged absence will receive a personalised reintegration plan which may include mentoring, wellbeing support, curriculum support, phased reintegration arrangements and regular attendance reviews.
- The school will make reasonable adjustments where attendance barriers relate to disability, medical needs or SEND, in line with the Equality Act 2010.

The Head of School will:

- Monitor attendance data.
- Reporting to governors.
- Authorise penalty notices.
- Meet and greet students on entry to school.
- Ensure a safe, nurturing learning environment where students want to be every day to grow, thrive and flourish.

The Strategic Attendance Lead will:

- Monitor and report whole school, cohorts, individual students, vulnerable group attendance to inform planning and to ensure relevant support can be put in place.
- Analyse data termly, half-termly and weekly (on a whole school and individual basis with a focus on comparisons of groups to national benchmarks) to identify areas to target attendance improvement strategies most effectively.

- Use data to effectively monitor individual student's and key groups' attendance to target support strategies and Attendance Support Meetings effectively.
- Draw comparisons between AGS attendance data with local, regional and national data.
- Ensure a collaborative approach to attendance across key teams: Attendance, Pastoral, Safeguarding, Behaviour and Offsite provisions through regular training and fortnightly and half termly forums to triage individual attendance concerns and coordinate appropriate support.
- Monitor and support attendance of disadvantaged students; SEND students; Children Looked After; Previously Looked After children; Young carers; Students receiving Alternative Provision
- Supply attendance data to form tutors weekly to facilitate discussions with students around weekly attendance for praise and support.
- Supply attendance data to class teachers to help discussions with students/families as well as inform planning to support with gaps in learning.
- Use data to monitor, review and understand the impact of interventions used.
- Promote and celebrate outstanding and good attendance and punctuality through strategic whole school initiatives.
- Monitor the implementation of the Attendance Policy and ensure that the policy is reviewed regularly.
- Ensure that staff are aware of the Attendance Policy and are able to address attendance issues
- Make a copy of the Attendance policy available on the school website.

The Attendance Team will:

- Follow up unexplained absences to obtain explanations from parents/carers. Although parents may offer a reason, only the school can authorise the absence.
- In the case of long term or frequent absence due to medical conditions, we will discuss requirements needed on an individual student basis.
- Where a child's attendance is a cause for concern, meet with parents/carers (and where appropriate other agencies) to set targets for improvement and put attendance contracts (Stages of Support Plans) in place with appropriate support.
- Where a child's attendance continues to be a cause for concern, issue a notice to improve with a clear time period and offer support during this time frame
- Accept and log any provided medical evidence for absence due to illness or appointments.
- Work with the [Local Authority](#) and other external partners to support students and their families with regards to attendance and punctuality.
- Where appropriate, make referral to the [Local Authority](#) Schools Attendance Service.
- Request [Penalty Notices](#) to be issued for unauthorised leave in term time.
- Request [Penalty Notices](#) for unauthorised absence where support from the school has failed.

We expect that all parents/carers will:

- Be aware of their legal responsibilities.
- Talk to their child about school and education. Take a positive interest in their child's work and educational progress.
- Instil the value of education and regular school attendance within the home environment.
- Encourage their child to look to the future and have aspirations.
- Ensure their child(ren) regularly attend school.
- Ensure that their child arrives at the school punctually at the start of the day.
- Ensure that they contact the school each day that their child is absent before 8.45am and explain the reason for the absence. 01642 277700, option 1.

- Apply to the Headteacher for a period of absence at least 2 weeks in advance where there are exceptional circumstances.
- Notify the school immediately of any changes to contact details.
- Provide school with two emergency contacts.
- Work with school staff to address any attendance or punctuality concerns which may arise.
- Not ignore, agree with or condone their child's non-attendance.
- Support school attendance by not taking family holidays during term-time.
- Where possible, aim to make medical/dental appointments outside of school hours. Where this is not possible, parents/carers will aim to ensure that students attend school prior to/after each appointment to minimise the amount school missed. Parents/carers must provide school with evidence in the form of a text/card from the appointment for absence to be authorised.
- Support the school attendance and punctuality policy.

We expect that all students will:

- Arrive through school gates before 8:30am.
- Attend every timetabled session, on time.
- Report to Year Office at break time if they have arrived at school late for a pastoral check in.
- Speak to form tutor/year office if they feel they need support

Recording Attendance

Acklam Grange School maintains an electronic attendance register and all students are placed on this register.

Registers are taken twice daily:

AM registration between 8:30am and 9:00am.

PM registration between 1:00pm and 1:15pm.

Attendance is recorded using the DfE attendance codes contained within Appendix 1.

The register records whether students are:

- Present.
- Attending an approved educational activity.
- Absent.
- Unable to attend due to exceptional circumstances.

Attendance Register Amendments

Any amendment to an attendance record will include:

- The original entry.
- The amended entry.
- The reason for amendment.
- The date the amendment was made.
- The name of the member of staff making the amendment.

Attendance records will be retained in accordance with statutory requirements and current DfE guidance.

Following Up Unexplained Absence

Where a student expected to attend school does not arrive and no reason has been received, the Attendance Team will:

- Contact parents/carers on the first day of absence.
- Continue attempts to establish the student's whereabouts.
- Implement safeguarding procedures where concerns exist.
- Conduct home visits where appropriate.
- Liaise with external agencies when necessary.

Where no explanation is obtained, the absence will be recorded using the appropriate attendance code in line with DfE guidance.

School Attendance, Safeguarding and Children Missing Education

Children and young people may be at risk of harm if they do not attend school regularly. Safeguarding the interests of each child is everyone's responsibility and within the context of Acklam Grange School, promoting the welfare and life opportunities for each child encompasses: - Attendance, Behaviour, Health and Safety, Access to the Curriculum and Anti-bullying.

Children who are missing education are at greater risk than those who are seen regularly in school.

Examples of these risks include:

- Child Criminal Exploitation
- Radicalisation
- Female Genital Mutilation
- Modern Day Slavery Domestic
- Violence
- Honour Based Violence
- Neglect

A child not attending school is considered a safeguarding matter. That is why information about the cause of any absence is always required.

Continuous Absence and Safeguarding

In some circumstances, we will arrange for a visit to your home to be undertaken by our Educational Welfare Officer or Student Welfare Officer. These circumstances include;

- Absence of two full days without contact from parent or carer
- Concern for the welfare of a student
- Prolonged absence which is explained and evidenced

The purpose of such visits is to support and assist parents/carers/students with reintegration to school as soon as is practically possible. Home visits are ordinarily conducted by our Education Welfare Officer, Student Welfare Officer, Pastoral staff, a member of SLT or a Police Officer dependent upon our level of concern.

Child Missing in Education

If your child has been missing for 10 consecutive days school will submit a Child Missing in Education (CME) form to the Local Authority. This may result in a joint decision between the Local Authority and school with the child being removed from roll at Acklam Grange School.

Attendance and Absence

Authorised Absence is defined as:

Absence in term time where permission has been given by the school. Examples of authorised absences include:

- Genuine illness (Parents/carers may be asked to provide medical evidence to allow the Headteacher to authorise absence where appropriate. This will usually be in the form of an appointment card, prescription etc.)
- Medical or dental appointment (Parents/carers are advised where possible to make medical and dental appointments outside of the school day. Where this is not possible, students must attend school for part of the day. You must show the appointment card to school.)
- Other Authorised Circumstances (This relates to where there is cause for absence due to exceptional circumstances, e.g. serious family illness or bereavement and is at the Headteacher's discretion.)

- Religious observance (The day must be exclusively set apart for religious observance by the religious body to which the child belongs and is recorded on the school system as this religion. School will not authorise longer absences for religious observances)
- Suspended (No alternative provision made) Suspension from attending school is counted as an authorised absence. The school will make arrangements for work to be set on ClassCharts.
- Study Leave Study leave may be granted in special circumstances for a small number of Year 11 students approaching GCSE examinations. School will offer in school study programmes and revision room during this period to reduce absence levels and support with revision/attainment.
- Interviews (Y11 students who must attend interviews for their post-16 options e.g. college, apprenticeships, work; will have an authorised absence recorded. Interviews for part-time jobs do not fit into this category and should be arranged outside school hours.)
- Traveller Absence It is expected that Traveller children, in common with all other children, are to attend school as regularly and as frequently as possible. The [guidance](#) was updated by the DfE this year regarding eligible use of the T code.

The above list is not exhaustive and each case will be reviewed on an individual basis.

Parents/carers who need to take their child out of school during term time due to exceptional circumstances must send a written request to the Headteacher. Retrospective requests will not be considered and therefore will result in the absence being categorised as unauthorised. All requests for leave of absence will be responded to in writing outlining the conditions of leave granted.

Unauthorised absence is defined as:

Absence in term time where permission has not been given by the school. This means that parents/carers do not have the right to take their child out of school during term time.

Examples of unauthorised absences include:

- Any absence that the school has not been informed of by written application, email or by telephone
- Unexplained absence. Any child whose absence is on-going and remains unexplained for an extended period (10 days) will be referred to the Local Authority as a Child Missing Education (CME)

Other examples of where absence will not be authorised:

- Staying at home to care for younger children or sick relatives
- Birthdays
- Family celebrations
- Parents'/family Weddings
- Transport issues or car broken down
- Holidays in term time (following the Department for Education's Guidelines)
- Taking the rest of the day off before or after a medical appointment
- Visiting sick relatives
- Protests

The above list is not exhaustive and each case will be reviewed on an individual basis.

Punctuality and Registers

By law, schools must take a morning and afternoon register and record the attendance or absence of every student.

At Acklam Grange School:

School gates open for students at 8:00am and a free breakfast is available for all students in the dining hall. All students should arrive to school before the school gates close at 8:30am. Any students arriving after this time will be marked as present but arriving late. AM register will be taken by form tutors between 8:30am and 9:00am. The AM registers remain open until 9:00am. If children arrive after 9:00am, they receive a 'U' code – arrived in school after the register has closed.

All lateness will be challenged. To support with student late arrivals, the school gates will be staffed until 8:50am after which point students will need to enter school site via main reception. On arrival through late gate/main reception, students must immediately report to the member of staff present to ensure that we can be responsible for them whilst they are in school. The absence will only be authorised if a satisfactory explanation for the late arrival can be provided; for example, attendance at a medical appointment. The absence will be recorded as unauthorised if the student has arrived late without justifiable cause. Students arriving late to school are expected to attend a breaktime pastoral check in.

Afternoon registration takes place immediately after the lunch break, between 1:00pm and 1:15pm.

Students Leaving During the School Day

Whenever possible, parents/carers should try to arrange medical and other appointments outside of school time; only urgent appointments should be attended during the school day. Parents are requested to confirm by phone, letter or email, the reason for any planned absence, the time of leaving and the expected return time.

Students must be signed out on leaving the school at the school office.

Leave of Absence

Acklam Grange School term times and holiday dates are published a year in advance and are available on the school website. School training days are published as soon as the school have agreed these but may be subject to change. The school will ensure that they communicate any changes to parents/carers through either text, email, newsletter or on the website.

From 1st September 2013, a change to government legislation means that schools are no longer allowed to authorise requests for students to be taken out of school for a holiday during term time. In line with the Government's amendments to the 2006 regulations, holidays during term time will NOT be authorised.

Only exceptional circumstances warrant an authorised leave of absence. Parents/carers should make any request well in advance (at least 2 weeks) and in writing (a form is available from the school office). Requests for absence for reasons such as compassionate leave and sporting or musical competitions should be made in the same way.

All requests are reviewed individually, considering the circumstances of the request. Other factors will also be considered, such as:

- The time of year the student will be absent.
- The attendance record of the student.
- The number of previous requests for leave of absence.
- The student's ability to catch up.
- The student's current year group.

Parents will be notified of the decision in writing.

Where a parent/carer request has been refused, and parent/carer continue to take their child out of school, this absence will be recorded as unauthorised. We reserve the right to apply to the [Local Authority](#) to issue a Penalty Notice under the Anti-Social Behaviour Act 2003.

Understanding barriers to attendance

School recognise that poor attendance can be an indication of difficulties in a child's life. This may be related to problems at home and/or in school. Parents should make school aware of any difficulties or changes in circumstances that may affect their child's attendance and/or behaviour in school, for example, bereavement, divorce/separation, incidents of domestic abuse. It is important that these students are still expected to attend school regularly as attendance at school may serve to help with the underlying issue, whereas being away from school might exacerbate it, and a prolonged period of absence may heighten anxious feelings about attending in future.

The school will work closely with families and external agencies to identify any additional support that may be required. This may include:

- Discussion with parents/carers and students to understand the individual needs of the student and family and aim to remove any barriers
- Attendance forums
- Attendance Support Contracts/Stages of Support Plans
- Attendance/Punctuality report cards
- Referrals to support agencies
- Keyworker/Learning mentor support
- Student Voice activities
- Friendship group support
- AGS PRIDE Curriculum
- Family learning
- Reward systems
- Time limited part-time timetables
- Additional learning support
- Behaviour support
- Alternative Provision support
- Reintegration support packages
- Referral to Barnardo's Watchtower Support
- Work in partnership with the student and family, local authority and external agencies to put in-school support in place
- Referrals to services and organisations that can provide support.

Where absence intensifies, so will the support. We will work with students, parents/carers, the local authority, and all other relevant partners. Where appropriate, formal meetings will take place involving parents/carers, the student and the Educational Welfare Officer or senior leader responsible for attendance.

These meetings will clearly explain the consequences of persistent and severe absence to the student and family and the potential need for legal intervention in future. Importantly, they will also provide an opportunity to continue to listen to, understand and empathise with the barriers to attendance and explain the help that is available.

It is important to note that whilst our policy will be applied fairly and consistently, we will always consider the individual needs of students and their families with regards to specific barriers to attendance. Measures described in paragraph 40 of '[Working Together to Improve School Attendance](#)' will be implemented as and when the need arises. Where appropriate we will liaise with external partners such as the Local Authority and/or medical services to ensure that all students are able to access education.

In very exceptional cases, and where it is in the student's best interests, there may be a need for a temporary part-time timetable to meet their individual needs. These will be discussed and agreed with the designated senior leader and will be regularly reviewed with appropriate work set on ClassCharts.

Attendance and Mental Health

The school recognises that some students may experience attendance difficulties due to emotional wellbeing or mental health needs. We understand that anxiety, emotionally based school avoidance, low mood, bereavement, trauma, friendship difficulties or other mental health concerns can affect a student's ability to attend school regularly.

Where mental health concerns are identified, the school will work in partnership with students, parents/carers and relevant professionals to understand barriers to attendance and provide appropriate support.

- Support may include:
 - Early identification and intervention.
 - Wellbeing check-ins and pastoral support.
 - Attendance support plans.
 - Individual reintegration programmes.

- Adjustments to routines where appropriate.
- Access or referrals to counselling, mental health or external agency support.
- Collaboration with health professionals and the Local Authority where required.
- Regular review meetings with students and families.

Whilst we will take a supportive and individualised approach, we will continue to promote the importance of regular attendance as part of a student's wellbeing, educational progress and long-term outcomes.

Long Term Sickness

Students who are expected to miss 15 consecutive or cumulative days of school due to illness will have their details passed on to the Local authority.

Persistent Absence

The Department for Education regards student attendance of 90% or below as persistent absence and below 50% as severe absence.

The table below shows an indication of approximately how many days a student needs to miss per half term to meet the threshold of persistent absenteeism and is used with staff, students, parents and carers to support with school attendance.

Annual Attendance Benchmarks

At TLLT we share days lost via our 'Good Attendance Benchmarks' so all stakeholders are aware of the link between attendance and learning.

Average attendance of 85-90% over five school years equates to students missing half a school year of education.

Average attendance of 80% over five school years equates to students missing a whole school year. The Department for Education regards attendance of 50% or below as severe absenteeism.

Local Authority Involvement:

Parents/carers are expected to contact school prior to or at the outset of any absence and work collaboratively with school staff to resolve issues together. This is nearly always successful. If difficulties cannot be resolved in this way, the school may refer the child to Middlesbrough Local Authority via an Attendance Case Conference who will support school in providing additional support to resolve the situation by agreement. However, if other ways of trying to improve the child's

attendance have failed and unauthorised absences persist, these Officers can use sanctions such as Fixed Penalty Notices or prosecutions in the Magistrates Court. Full details of the options open to enforce attendance at school are available from the school or the Local Authority. (Please note that Penalty Notices can be issued by the Local Authority immediately following a period of leave of absence that has not been authorised by the school.)

Click on the following link to read Middlesbrough Local Authority Guidance regarding court procedures: <https://www.middlesbrough.gov.uk/schools-and-education/school-attendance/court-procedures-school-attendance/>

Parents/carers or students may wish to contact the LA themselves to ask for help or information. They are independent of the school and will give impartial advice. Their telephone number is available from the school office or by contacting the Local Education Authority on (01642) 201898.

Penalty Notices

A Penalty Notice may be issued to parent/carers who are failing to secure their child's regular school attendance and are not engaging with supportive measures to improve attendance proposed by the school or other agencies including the Local Authority Education Welfare Service. Before a Penalty Notice is issued, parents/carers will be warned of their liability to receive such a notice.

This policy is in line with the Local Authority Education Welfare Service information on Penalty Notices and falls under Sections 444a and 444b of the Education Act 1996. The Education (Penalty Notices: England) Regulations 2007 set the framework for the operation of the Penalty Notice Scheme. Circumstances in which a penalty notice may be issued are:

Irregular school attendance

Irregular school attendance has been evidenced to impact student attainment. Regular school attendance is key to student wellbeing and outcomes. School will always work with home to provide supportive measures to improve school attendance. However, if the difficulties persist, the school may refer the child to Middlesbrough Local Authority via an Attendance Case Conference who will support school in providing additional support to resolve the situation by agreement or through issue of FPN/court action. Irregular school attendance is outlined below:

- 10 unauthorised sessions (AM and or PM sessions) over a seven-week rolling period (this is also inclusive of lateness).
- Parentally condoned absences which are not authorised by school.
- Unauthorised holidays in term time.
- Persistent late arrival at school after the register has closed.
- Being in a public place during the first five days of an exclusion.

Payment of Penalty Notices

Before issuing a penalty notice, the school will consider the individual case, including:

Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)

Whether a penalty notice is the best available tool to improve attendance for that pupil

Whether further support, a notice to improve or another legal intervention would be a more appropriate solution

Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a first penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a second penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A third penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

In these cases, the parent must pay £60 within 21 days, or £120.

If a Penalty Notice is not paid within 28 days the Local Authority is then obliged to refer the case for prosecution under Section 444 of the Education Act 1996, for failing to ensure regular school attendance or withdraw the penalty notice.

Changing Schools

It is important that if families decide to send their child to a different school that they inform Acklam Grange School as soon as possible and contact Local Authority admissions department. A student will not be removed from the school roll until the following information has been received and investigated:

- The date the student will be leaving the school and starting the next.
- The address of the new school.
- A new home address if appropriate.
- CTF file requested from the new school.
- Confirmation call to the new school.

The student's records will then be sent to the new school. In the event that the school has not been informed of the above information, the family will be referred to the local authority by the school's Attendance Lead for follow up through the Children Missing in Education procedure.
